

# World Malaria Report 2009

World Health  
Organization

# Contents

|   |            |
|---|------------|
| Foreword .....  | v          |
| Acknowledgements .....  | vi         |
| Abbreviations .....   | vii        |
| Summary .....   | viii       |
| Key points .....  | ix         |
| <b>1. Introduction .....</b>  | <b>1</b>   |
| <b>2. Policies, strategies and targets for malaria control .....</b>                                | <b>3</b>   |
| 2.1 Diagnosis and treatment of malaria, including preventive treatment .....                        | 3          |
| 2.2 Malaria prevention through mosquito control .....   | 4          |
| 2.3 Goals, indicators and targets .....   | 5          |
| <b>3. Interventions to control malaria .....</b>  | <b>9</b>   |
| 3.1 Adoption of policies and strategies for malaria control .....                                   | 9          |
| 3.2 Information on global ACT supplies and the artemisinin market situation .....                   | 9          |
| 3.3 Intervention coverage in high-burden countries in the WHO African Region .....                  | 13         |
| 3.4 Intervention coverage in countries outside the WHO African Region .....                         | 24         |
| <b>4. Impact of malaria control .....</b>   | <b>27</b>  |
| 4.1 Global estimates of malaria cases and deaths in 2008 .....                                      | 27         |
| 4.2 Assessing the impact of malaria interventions .....   | 28         |
| 4.3 African Region .....  | 30         |
| 4.4 Region of the Americas .....  | 40         |
| 4.5 South-East Asia Region .....  | 40         |
| 4.6 European Region .....   | 40         |
| 4.7 Eastern Mediterranean Region .....  | 41         |
| 4.8 Western Pacific Region .....  | 41         |
| 4.9 Conclusions .....   | 41         |
| <b>5. Elimination of malaria .....</b>  | <b>45</b>  |
| 5.1 Background .....  | 45         |
| 5.2 Definitions .....   | 46         |
| 5.3 WHO position on malaria elimination .....   | 46         |
| 5.4 Strategies .....  | 47         |
| 5.5 Progress towards malaria elimination .....  | 48         |
| 5.6 WHO certification .....   | 55         |
| <b>6. Financing malaria control .....</b>   | <b>57</b>  |
| 6.1 Sources of information .....  | 57         |
| 6.2 Resource requirements and trends in international and domestic financing .....                  | 58         |
| 6.3 Allocation of disbursed funds from external agencies to regions, countries and programmes ..... | 60         |
| 6.4 Relations between external financing, programme implementation and disease trends .....         | 65         |
| <b>PROFILES – 31 high-burden countries .....</b>  | <b>67</b>  |
| <b>ANNEXES .....</b>  | <b>163</b> |
